# WELCOME

---

**Good afternoon and welcome to Hamilton Park's opening day of the season, the Les Hoey MBE Dreammaker Foundation Family Raceday. It's great to finally be able to welcome racegoers to our opening day for the first time since 2019 due to the pandemic, and excitement has been building as we have prepared for the 2022 season.**

This summer will see the richest race programme ever at Hamilton Park with our total prize money fund set to top £1,600,000 for the very first time, alongside our richest raceday worth £200,000 next Sunday 8 May. This year will also see our richest single race ever, with the Lanark Silver Bell being upgraded to a Heritage Handicap worth £100,000. We are committed to delivering an aspirational race programme which strikes an effective balance across all grades of race. With that in mind, all races in this season's programme are set to be run for at least £2,000 above BHA minimum values, with our feature Listed, Class 2, 3 and 4 races also offering significant prize funds.

Away from the race programme the team have put in an incredible amount of work in preparation for the season. Head Groundsman Mark Bemrose and his team have been carrying out improvement works on the track to ensure we have the best racing surface possible, whilst around the grounds you will see more flowers than ever alongside our famous striped lawns. Elsewhere around the resort we have made improvements to the Annual Members Bar as well as introducing our new Paddock Café, which overlooks the Winners Enclosure and offers a range of light bites and tasty treats as well as freshly made Barrel & Stone pizzas. We have also completed the installation of our new brand signage across the grounds as well as giving the grandstand and buildings a new coat of paint to ensure the racecourse looks pristine. My thanks go to the entire Hamilton Park team for their efforts in preparing for this season.

Today's second race, the £30,000 Patersons of Greenockhill Buttonhook Handicap, will be shown live on ITV & STV Racing and shows off a key feature of our track. The 1m 5f start is just behind the Winning Line and makes for a great spectacle as the horses break from the stalls – It's definitely worth heading down to the rail to watch! Tribal Art is top of the weights for Charlie & Mark Johnston, and with course specialist Joe Fanning onboard they will be hoping for a strong run. Local trainer Keith Dalgleish has also targeted this race with three runners – Heights of Abraham, Diocletian and Haizoom, so this should make for an excellent contest over our longest trip.

At 3.40pm our attention will turn briefly to Newmarket for the Qipco 1000 Guineas, to see who will claim one of Britain's five Classic races. We'll be showing the race on the screens around the course and our on-course betting partners will be able to help if you're looking to have a flutter.

As always, today is an incredibly popular day for young racegoers, and we have a huge array of free off-track entertainment including Denver's Den Fun House, Pirate Assault Course, Surf Simulator, Nintendo Switch Battles as well as some returning favourites; Segways, Bungee Trampolines, Laser Tag and much, much more.

Our thanks go to all of today's sponsors - Les Hoey MBE Dreammaker Foundation, Patersons of Greenockhill, LBJ Consulting, Scottish Racing Academy and Racing TV. We are also delighted to be welcoming our newest partner, Strathclyde Sirens - Scotland's only Professional Netball Team, who will be appearing at the Paddock Lawn, where they will be giving everyone the opportunity to meet some of the team, and have a shot in the shooting circle. I do hope you enjoy your afternoon with us at Hamilton Park.

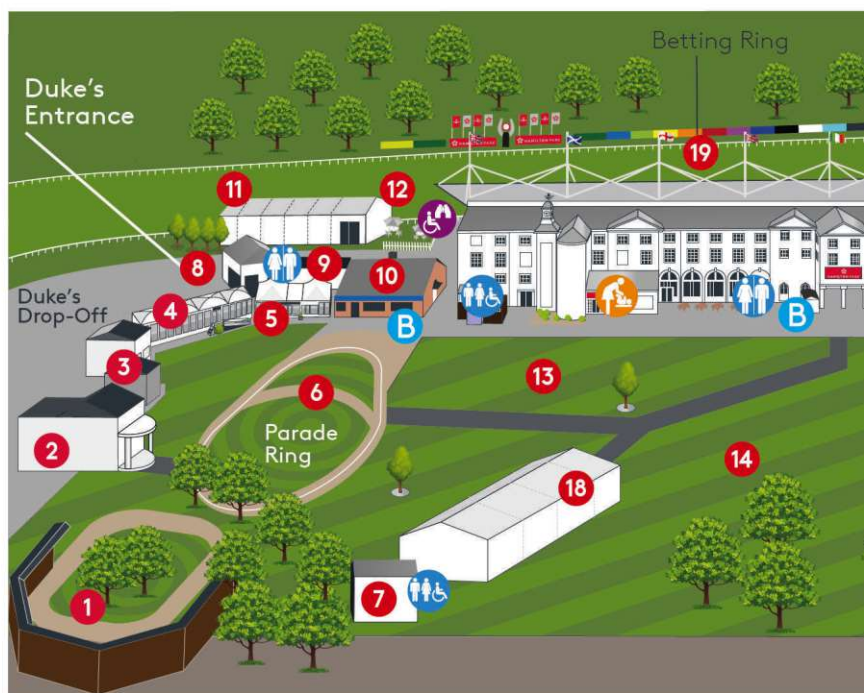

Have a fantastic day today and I hope you start the season with a little luck!

Kind regards,

**ASHLEY MOON,**  
**RACECOURSE MANAGING DIRECTOR**

# RACING JARGON BUSTER

---

Do not be put off by the weird terms you may hear on the racetrack. Like any traveller in a strange country, the novice racegoer will soon pick up a smattering of the language, and then rapidly become fluent. The following might help those racegoers keen to enhance their language skills.

**ACCUMULATOR** bet involving two or more selections in different races: winnings from one are placed on the next

**ALLOWANCE** is the weight concession the horse is given to compensate for its rider's inexperience

**ALL WEATHER RACING** flat racing which takes place on an artificial surface

**AMATEUR** (rider) on racecards, their names are prefixed by Mr, Mrs, Captain, etc., to indicate their amateur status

**APPRENTICE** young jockey tied by annually renewed contract to a licensed trainer while he or she is learning the business of race-riding

**BACKWARD** used of a horse which needs time to mature

**CLAIMER** of a race: a claiming race; of a jockey: an apprentice

**COLT** male, ungelded horse up to four years old

**COURSE SPECIALIST** horse which tends to run well at a particular track

**DAM** mother of a horse

**DISTANCE** the length of a race: 5 furlongs is the minimum and the 4 1/2 miles of the Grand National the longest. Also, the margin by which a horse wins or is beaten by the horse in front: this ranges from a short head to 'by a distance' (more than 30 lengths); a 'length' is measured from the horse's nose to the start of its tail

**DISTANCE** an unmarked point 240 yards from the winning post (thus 'below the distance' means closer home than that point)

**DRAW** for flat racing only, describes a horse's position in the starting stalls, drawn randomly the day before

**EVENS** or **EVEN MONEY** when your stake exactly equals your winnings - thus £5 at evens wins a further £5

**FILLY** female horse up to four years old

**FOAL** horse of either sex from the time of its birth until 1 January the following year

**FURLONG** 220 yards (one eighth of a mile)

**GELDING** castrated horse

**GOING** the description of conditions underfoot on the racecourse. Official Jockey Club going reports progress as follows: Heavy - soft - good to soft - good - good to firm - firm - hard

**GREEN** (of a horse) inexperienced

**HAND** unit of four inches in which a horse's height is measured, at the shoulder

**JOLLY** betting parlance for the favourite in a race - the horse with the shortest odds

**JUDGE** official responsible for declaring the finishing order of a race and the distances between the runners

**JUVENILE** two-year-old horse

**MAIDEN** horse which has not won a race

**MARE** female horse five years and over

**MONKEY** betting parlance for £500

**ODDS ON** odds where the winnings are less than the stake (which is of course returned to you); thus a winning £2 bet at 2-1 on wins you £1

**OFF THE BIT/OFF THE BRIDLE** describes a horse being pushed along by his jockey, losing contact with the bit in his mouth

**ON THE BIT/ON THE BRIDLE** describes a horse going well within himself, still having a grip on the bit

**OVER THE TOP** where a horse is said to have gone if he has passed his peak for the season

**PACE** 'up with the pace' means close to the leaders; 'off the pace' means some way behind the leaders

**PADDOCK** area of the racecourse incorporating the pre-parade ring, parade ring and winner's enclosure

**PATTERN** the elite races, divided in Flat racing into Groups One, Two, Three and Listed

**PENALTY** weight added to the allotted handicap weight of a horse which has won since the weights were originally published

**PHOTO FINISH** electronic photographic device which determines minimal distances in a close finish

**PLATE** shoe worn by horse for racing

**PONY** betting parlance for £25

**RULE 4** betting rule covering deductions made from winning bets if a horse is withdrawn after the betting market has been formed but before the 'Under Starter's Orders' signal; the amount deducted depends on the price of the withdrawn horse

**RUN FREE** describes a horse going too fast, usually early in the race, to allow it to settle

**SCOPE** the potential for physical development in a horse

**SIRE** father of a horse

**SPREAD A PLATE** when a racing plate or horseshoe becomes detached from an animal's hoof, this sometimes causes a delay while the horse is re-shod

**SPRINGER/STEAMER** a horse which shortens dramatically in the betting

**SP/STARTING PRICE** the official price of a horse at which bets are settled in the betting shops

**STEWARDS** the panel of men and women - usually a total of four - who are responsible for seeing that the Rules of Racing are adhered to

**STEWARDS' ENQUIRY** enquiry by the stewards into the running of a race

**TIC-TAC** the bookmaker's method of relaying odds information on the racecourse, by means of hand signals

**WEIGH IN/WEIGH OUT** weighing of jockey before and after a race to ensure that the correct weight has been carried; the announcement 'weighed in' signals that the result is official, and all bets can be settled

**YANKEE** combination bet involving four selections in different races: six doubles, four trebles and one four-horse accumulator - eleven bets

**YEARLING** horse of either sex from 1st January to 31st December of the year following its birth

about FIVE FURLONGS  
(5f abt 7yds) (1000m)

### THE LBJ OUTSOURCED HR & EMPLOYMENT LAW ADVICE HANDICAP STAKES (CLASS 6)

#### RACE DESCRIPTION

This is a five furlongs handicap race for three-year-olds and upwards which have been rated from 46 to 65. In a handicap the weight that each of the runners carries is determined by their official handicap rating which is based on their level of form shown so far. The aim is to ensure competitive racing by asking the higher rated horses to carry more weight than a lower rated rival. As a guide, horses rated 40 tend to be at the lower end of the scale whilst the very best performers would be rated as high as 130.

#### RACE STATISTICS

**Leading course trainer (17-22):** D O'Meara

Tenebrism looked potentially out of the top drawer when swooping from last to first in the Cheveley Park here in September on what was only her second career start and the way she powered home suggests this trip should be within her compass. She'll need a bit of luck in running to pull off similar tactics but is taken to provide Aidan O'Brien with a fifth win from the last 6 renewals. Discoveries boasts an excellent profile and must be respected, as does the selection's stablemate Tuesday.

ONE MILE about THREE FURLONGS  
(11f abt 15yds) (2200m)

### THE DREAMMAKER FOUNDATION 'MAKING DREAMS HAPPEN' HANDICAP STAKES (CLASS 5)

#### RACE DESCRIPTION

This is a one mile and three furlongs handicap race for three-year-olds and upwards which have been rated from 51 to 70. In a handicap the weight that each of the runners carries is determined by their official handicap rating which is based on their level of form shown so far. The aim is to ensure competitive racing by asking the higher rated horses to carry more weight than a lower rated rival. As a guide, horses rated 40 tend to be at the lower end of the scale whilst the very best performers would be rated as high as 130.

#### RACE STATISTICS

**Leading course trainer (17-22):** K Dalglish

**Trainer-in-form (last 14 days):** K Dalglish  
(5 wins from 37 runners, 14%) runs GOODWOOD GLEN  
**Weightwatcher:** GRANITE CITY DOC won off a handicap mark of 71, his rating is now down 6lb to 65.  
**Longest Traveller:** DETECTIVE & MILLIE THE MINX trained by D Sayer, Penrith, 108 miles.

**BETTING FORECAST:** 11-4 Goodwood Glen (GB), 7-2 Detective (GB), 5-1 Grand Canal (IRE), 15-2 Clan Jock (IRE), 8-1 Millie The Minx (IRE), 12-1 Simple Star (IRE), 16-1 Granite City Doc (GB)

**RACE SUMMARY:** GOODWOOD GLEN arrives on the back of a career-best effort and looks up to defying a penalty. The 4-y-o relished the longer trip at Ayr and the extra furlong here can bring about further progress. It was hard to knock Detective's consistency last year and he can give his running again on his return, while Grand Canal ran well on his only 2 outings in 2021 so is an interesting recruit for Jim Goldie.

THE STRATHCLYDE SIRENS, SCOTLAND'S PROFESSIONAL NETBALL  
TEAM HANDICAP STAKES (CLASS 6)

RACE DESCRIPTION

This is a one mile handicap race for three-year-olds only which have been rated from 56 to 75. In a handicap the weight that each of the runners carries is determined by their official handicap rating which is based on their level of form shown so far. The aim is to ensure competitive racing by asking the higher rated horses to carry more weight than a lower rated rival. As a guide, horses rated 40 tend to be at the lower end of the scale whilst the very best performers would be rated as high as 130.

### THE SCOTTISH RACING ACADEMY MAIDEN STAKES (CLASS 5) (GBB RACE)

#### RACE DESCRIPTION

This one mile contest for those aged three-years-old and upwards is another maiden stakes - a race for horses that have yet to record a racecourse victory. There are a variety of reasons why the older horses in this race could still be maidens. Stoutly bred horses are unlikely to be seen at their best over the shorter distances of their juvenile season whilst a setback or injury can curtail even the most precociously bred horse's two-year-old career.

#### RACE STATISTICS

**Leading course trainer (17-22):** K Dalglish  
(57 wins from 434 runners, 13%) runs I'M TO BLAME

**Longest Traveller:** CUBANA HABANA trained by R Fahey, Malton, 203 miles. MAHANAKHON trained by T Easterby, Malton, 203 miles.

**BETTING FORECAST:** 9-4 Cubana Habana (FR), 5-2 Mahanakhon (GB), 7-2 Manaslu (IRE), 7-1 Enkindle (GB), 14-1 I'm To Blame (IRE), 33-1 Calderbank (GB)

**RACE SUMMARY:** CUBANA HABANA shaped promisingly from a poor position when third on debut at Thirsk 3 weeks ago and with progress anticipated, he gets the nod to make a bold bid to make it second time lucky. Mahanakhon is another who shaped well on debut and is feared most. Manaslu may do best of the others.

**1-2-3:** 1.CUBANA HABANA (FR) 2.MAHANAKHON 3.MANASLU (IRE)

(6f abt 6yds) (1200m)

### THE RACINGTV HANDICAP STAKES (CLASS 6)

#### RACE DESCRIPTION

This is a six furlong handicap race for four-year-olds and upwards which have been rated from 46 to 65. In a handicap the weight that each of the runners carries is determined by their official handicap rating which is based on their level of form shown so far. The aim is to ensure competitive racing by asking the higher rated horses to carry more weight than a lower rated rival. As a guide, horses rated 40 tend to be at the lower end of the scale whilst the very best performers would be rated as high as 130.

#### RACE STATISTICS

**Leading course trainer (17-22):** I Jardine  
(19 wins from 221 runners, 9%) runs KATS BOB

**Trainer-in-form (last 14 days):** I Jardine  
(4 wins from 29 runners, 14%) runs KATS BOB

**Weightwatcher:** SIR BENEDICT won off a handicap mark of 82, his rating is now down 15lb to 67.

**Longest Traveller:** SINGE ANGLAIS trained by N Tinkler, Malton, 203 miles.

**BETTING FORECAST:** 11-4 Iris Dancer (GB), 4-1 Kats Bob (GB), 11-2 Twice Adaay (GB), 7-1 Singe Anglairs (IRE), 10-1 Kilconquhar (GB), 14-1 Elladora (GB), 16-1 Sir Benedict (IRE), 25-1 Danzart (IRE), 33-1 Far From A Ruby (GB)

**RACE SUMMARY:** KATS BOB shaped as if needing the run when finishing mid-field at Musselburgh just over a fortnight ago and back in a lower grade here, Iain Jardine's charge gets the verdict to open his account for the season. The main danger could be Iris Dancer, who is fairly consistent for all that she has just a sole win to her name and first-time cheekpieces are applied today, with Kilconquhar next on the list.

**1-2-3:** 1.KATS BOB 2.IRIS DANCER 3.KILCONQUHAR

**STEWARDS NOTE:** ELLADORA: Following its run on 5/11/2021 it was reported that the horse moved poorly.
