# HAMILTON PARK

# WELCOME

---

**Good afternoon and welcome to Hamilton Park for our Almada Mile Raceday.** We have an action-packed afternoon of racing ahead of us today and our thanks go to today's sponsors – Racing TV, Racing Welfare and our very own Hampton by Hilton Hamilton Park.

This week is Racing Staff Week and we at Hamilton Park are proud to support this great initiative by Racing Welfare. This week is all about informing and engaging with horseracing followers and supporters about the passion, skill and dedication required to work in racing, whether that's stable staff, groundstaff, stewarding, broadcast, catering or racecourse management – everyone plays an important role in keeping the show on the road. Our race this afternoon at 2.15pm is entitled to mark the occasion, Hamilton Park Supporting Racing Staff Week Novice Stakes, and I would like to take this opportunity to personally thank everyone who works at Hamilton Park and contributes to making our racedays so successful.

This afternoon's feature race is the Stay at Hampton by Hilton Almada Mile Handicap Stakes at 2.45pm; one of the most valuable races in our racing calendar. The beautiful Watson Memorial Cup is presented annually to the winner of this race – a tribute combining local significance of both the race and the Watson family. Sir Julian Somerled Watson, 7th Baronet of Earnock, was a shareholder, loyal supporter and regular visitor to Hamilton Park who sadly passed away in May 2016. Since then the Watson Baronetcy has become extinct. The Watson Baronetcy of Earnock contributed considerably to the local community and Sir John Watson, 1st Baronet of Earnock, owned several collieries in the area including the Neilsland and Earnock colliery on the Neilsland Estate which covered over 2,000 acres. The Watson family also gifted the elaborate Watson Fountain to the town of Hamilton, which still stands proudly at the triangular merging of Cadzow Street and Muir Street.

Ten horses have been declared for this year's race, with the top-rated being course and distance winner **Redarna** for Penrith-based trainer Dianne Sayer. However, there is stiff competition from Newmarket in the form of Godolphin's **Ghaly**, trained by Saeed Bin Suroor, whilst George Boughey will be hoping that **Sip and Smile** can help him continue his 100% strike rate here at Hamilton Park, with leading jockey William Buick once again piloting his runners.

Looking ahead to July we have our Jordan Electrics Family Racenight on Saturday 9 July, where we have a host of free kid's entertainment and live music after racing, before our double meeting on Thursday 14 and Friday 15 July, which is always a great meeting and features some fantastic racing with the Glasgow Listed Stakes and the Scottish Stewards Cup. If you haven't already bought your tickets, then do take advantage of some great discounts by buying in advance on our website [www.hamilton-park.co.uk](http://www.hamilton-park.co.uk), and remember that under 18s get free admission to all of our fixtures when attending with an adult.

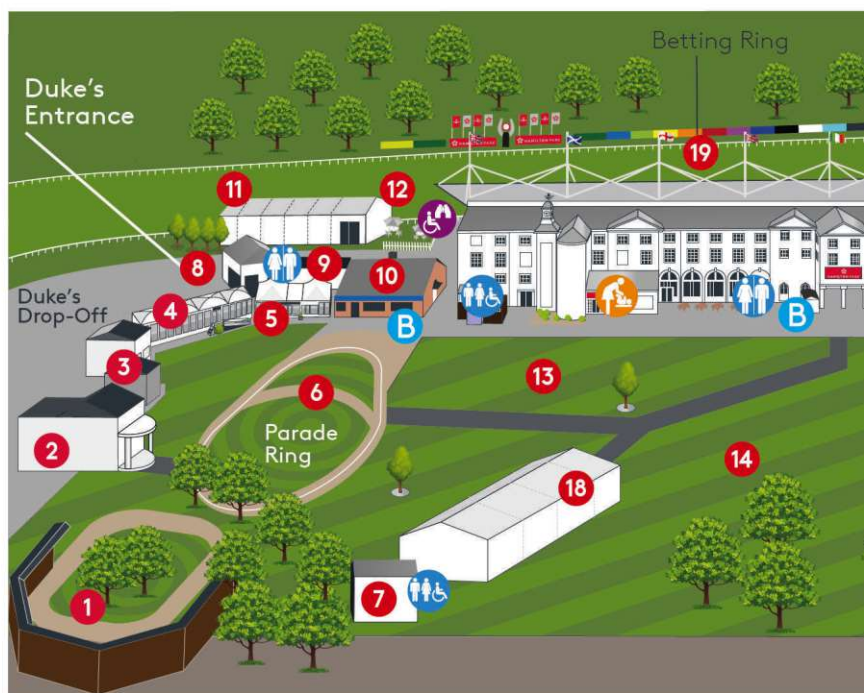

Have a great day today and I hope you back some winners!

Kind regards

**ASHLEY MOON,**  
**RACECOURSE MANAGING DIRECTOR**

# RACING JARGON BUSTER

---

Do not be put off by the weird terms you may hear on the racetrack. Like any traveller in a strange country, the novice racegoer will soon pick up a smattering of the language, and then rapidly become fluent. The following might help those racegoers keen to enhance their language skills.

**ACCUMULATOR** bet involving two or more selections in different races: winnings from one are placed on the next

**ALLOWANCE** is the weight concession the horse is given to compensate for its rider's inexperience

**ALL WEATHER RACING** flat racing which takes place on an artificial surface

**AMATEUR** (rider) on racecards, their names are prefixed by Mr, Mrs, Captain, etc., to indicate their amateur status

**APPRENTICE** young jockey tied by annually renewed contract to a licensed trainer while he or she is learning the business of race-riding

**BACKWARD** used of a horse which needs time to mature

**CLAIMER** of a race: a claiming race; of a jockey: an apprentice

**COLT** male, ungelded horse up to four years old

**COURSE SPECIALIST** horse which tends to run well at a particular track

**DAM** mother of a horse

**DISTANCE** the length of a race: 5 furlongs is the minimum and the 4 1/2 miles of the Grand National the longest. Also, the margin by which a horse wins or is beaten by the horse in front: this ranges from a short head to 'by a distance' (more than 30 lengths); a 'length' is measured from the horse's nose to the start of its tail

**DISTANCE** an unmarked point 240 yards from the winning post (thus 'below the distance' means closer home than that point)

**DRAW** for flat racing only, describes a horse's position in the starting stalls, drawn randomly the day before

**EVENS** or **EVEN MONEY** when your stake exactly equals your winnings - thus £5 at evens wins a further £5

**FILLY** female horse up to four years old

**FOAL** horse of either sex from the time of its birth until 1 January the following year

**FURLONG** 220 yards (one eighth of a mile)

**GELDING** castrated horse

**GOING** the description of conditions underfoot on the racecourse. Official Jockey Club going reports progress as follows: Heavy - soft - good to soft - good - good to firm - firm - hard

**GREEN** (of a horse) inexperienced

**HAND** unit of four inches in which a horse's height is measured, at the shoulder

**JOLLY** betting parlance for the favourite in a race - the horse with the shortest odds

**JUDGE** official responsible for declaring the finishing order of a race and the distances between the runners

**JUVENILE** two-year-old horse

**MAIDEN** horse which has not won a race

**MARE** female horse five years and over

**MONKEY** betting parlance for £500

**ODDS ON** odds where the winnings are less than the stake (which is of course returned to you); thus a winning £2 bet at 2-1 on wins you £1

**OFF THE BIT/OFF THE BRIDLE** describes a horse being pushed along by his jockey, losing contact with the bit in his mouth

**ON THE BIT/ON THE BRIDLE** describes a horse going well within himself, still having a grip on the bit

**OVER THE TOP** where a horse is said to have gone if he has passed his peak for the season

**PACE** 'up with the pace' means close to the leaders; 'off the pace' means some way behind the leaders

**PADDOCK** area of the racecourse incorporating the pre-parade ring, parade ring and winner's enclosure

**PATTERN** the elite races, divided in Flat racing into Groups One, Two, Three and Listed

**PENALTY** weight added to the allotted handicap weight of a horse which has won since the weights were originally published

**PHOTO FINISH** electronic photographic device which determines minimal distances in a close finish

**PLATE** shoe worn by horse for racing

**PONY** betting parlance for £25

**RULE 4** betting rule covering deductions made from winning bets if a horse is withdrawn after the betting market has been formed but before the 'Under Starter's Orders' signal; the amount deducted depends on the price of the withdrawn horse

**RUN FREE** describes a horse going too fast, usually early in the race, to allow it to settle

**SCOPE** the potential for physical development in a horse

**SIRE** father of a horse

**SPREAD A PLATE** when a racing plate or horseshoe becomes detached from an animal's hoof, this sometimes causes a delay while the horse is re-shod

**SPRINGER/STEAMER** a horse which shortens dramatically in the betting

**SP/STARTING PRICE** the official price of a horse at which bets are settled in the betting shops

**STEWARDS** the panel of men and women - usually a total of four - who are responsible for seeing that the Rules of Racing are adhered to

**STEWARDS' ENQUIRY** enquiry by the stewards into the running of a race

**TIC-TAC** the bookmaker's method of relaying odds information on the racecourse, by means of hand signals

**WEIGH IN/WEIGH OUT** weighing of jockey before and after a race to ensure that the correct weight has been carried; the announcement 'weighed in' signals that the result is official, and all bets can be settled

**YANKEE** combination bet involving four selections in different races: six doubles, four trebles and one four-horse accumulator - eleven bets

**YEARLING** horse of either sex from 1st January to 31st December of the year following its birth

THE RACINGTV.COM MAIDEN STAKES (CLASS 4)  
(A HAMILTON PARK 2YO SERIES QUALIFIER) (GBB RACE)

RACE DESCRIPTION

This race is a six furlongs maiden stakes for two-year-olds. Maiden races provide a starting point for young horses that are yet to record a victory and most will be very lightly-raced or be making their racecourse debuts. Previous experience can count for a lot when searching for the winner but well-bred or precocious juveniles are more than capable of landing the prize at the first time of asking.

RACE STATISTICS

#### RACE DESCRIPTION

This is a one mile handicap race for three-year-olds only which have been rated from 56 to 75. In a handicap the weight that each of the runners carries is determined by their official handicap rating which is based on their level of form shown so far. The aim is to ensure competitive racing by asking the higher rated horses to carry more weight than a lower rated rival. As a guide, horses rated 40 tend to be at the lower end of the scale whilst the very best performers would be rated as high as 130.

about FIVE FURLONGS  
(5f abt 7yds) (1000m)

### THE HAMILTON PARK SUPPORTING RACING STAFF WEEK NOVICE STAKES (CLASS 5) (GBB RACE)

#### RACE DESCRIPTION

This contest is a Novice Stakes, this time run over a distance of five furlongs. There are a variety of reasons why the three-year-olds in this race are still light on experience. Stoutly bred horses are unlikely to be seen at their best over the shorter distances of their juvenile season whilst a setback or injury can curtail even the most precociously bred horse's two-year-old career.

#### RACE STATISTICS

**Leading course trainer (17-22):**

R Fahey (39 wins from 248 runners, 16%) runs PHOENIX BEACH

**Trainer-in-form (last 14 days):**

**Longest Traveller:** FRISKY trained by S Pearce, Newmarket, 360 miles.

**RACE SUMMARY:** FRISKY improved again despite being no match for an impressive winner at Bath 17 days ago, so she gets the nod to get off the mark. Phoenix Beach may do better still and is considered the main threat, ahead of newcomer One More Dream.

# THE WATSON MEMORIAL CUP

The winning owner of today's feature race, the Almada Mile Handicap Stakes, will be presented with the Watson Memorial Cup.

Sir Julian Somerled Watson, 7th Baronet of Earnock, was a shareholder, loyal supporter and regular visitor to Hamilton Park.

Following the passing of Sir Julian in May 2016, the Watson Baronetcy became extinct and since then the team at Hamilton Park have worked closely with the Watson Estate to ensure a lasting legacy.

Since it was founded in c1895, the Watson Baronetcy of Earnock contributed considerably to the local Hamilton community.

Sir John Watson, 1st Baronet of Earnock, owned several collieries in the area including the Neilsland and Earnock Colliery on the Neilsland Estate which covered over 2,000 acres. The Watson family also gifted the elaborate Watson Fountain to the town of Hamilton, which still stands proudly at the triangular merging of Cadzow street and Muir street.

World-renowned silversmiths, Hamilton & Inches of Edinburgh, have created 'The Watson Memorial Cup' which will pay tribute to the Watson Baronetcy and Sir Julian's love of racing through special hand-engravings. In 2012, the racecourse also trusted the leading silversmiths with the creation of the Lanark Silver Bell trophy inspired by the original ancient relic.

Ashley Moon, Racecourse Managing Director at Hamilton Park, said "The £30,000 Almada Mile Handicap is rapidly becoming one of the most popular races in the Hamilton Park calendar and it's great to see such a strong field for today's race. To honour the memory of the Watson Baronetcy, and their contribution to the local area, is something we are very proud to do and associating the family with this particular race is of great significance for the racecourse and the people of Hamilton.

### THE STAY AT HAMPTON BY HILTON ALMADA MILE HANDICAP STAKES (CLASS 2) (FOR THE WATSON MEMORIAL CUP)

#### RACE DESCRIPTION

This is a one mile handicap race for three-year-olds and upwards which have been rated from 81 to 100. Once a horse has qualified for a handicap rating this is regularly re-assessed. A below-par effort could result in a reduced rating whilst a strong performance could see the rating increased. Occasionally, horses are entered to race before their handicap rating has been reviewed and so to avoid recent winners being un-penalised they are allotted a mandatory penalty – usually 6lb.

#### RACE STATISTICS

##### Leading course trainer (17-22):

K Dalglish (55 wins from 432 runners, 13%) runs BRINGTONBORIS and SUMMA PETO

##### Trainer-in-form (last 14 days):

**Longest Traveller:** GHALY trained by S bin Suroor & SIP AND SMILE trained by G Boughey, both Newmarket, 360 miles.

**BETTING FORECAST:** 9-2 Fame And Acclaim (IRE), 5-1 Sip And Smile (IRE), 6-1 Ghalay (GB), 7-1 Empirestateofmind (IRE), 17-2 Bringitonboris (USA), 10-1 Cockalorum (IRE), 12-1 Summa Peto (USA), 16-1 Redarna (GB), Hartzadar (GB), 18-1 Austrian Theory (IRE)

**RACE SUMMARY:** SIP AND SMILE is a 3-y-o who has been shaping up well this season and promises to be suited by this slightly longer trip, so he's an appealing candidate. Recent Haydock scorer Fame And Acclaim can give another good account, while Ghalay requires a close look in the betting returning from a long absence.

**1-2-3:** 1.SIP AND SMILE (IRE) 2.FAME AND ACCLAIM (IRE) 3.GHALY

**STEWARDS NOTE:** REDARNA: Following its run on 12/5/2022 it was reported that the horse hung left handed. SUMMA PETO: Following its run on 24/5/2022 it was reported that the trainer could not explain the poor run.

This is a one mile and four furlongs handicap race for three-year-olds and upwards which have been rated from 66 to 85. THE #CLEANSTAY AT HAMPTON BY HILTON  
HANDICAP STAKES (CLASS 4)

RACE DESCRIPTION

This is a six furlongs handicap race for three-year-olds and upwards which have been rated from 61 to 80. In a handicap the weight that each of the runners carries is determined by their official handicap rating which is based on their level of form shown so far. The aim is to ensure competitive racing by asking the higher rated horses to carry more weight than a lower rated rival. As a guide, horses rated 40 tend to be at the lower end of the scale whilst the very best performers would be rated as high as 130.
